A stunning and extremely high quality French 19th century Louis XVI st. giltwood and Brèche de Serravezza marble center table. The circular table is raised by elegant tapered acanthus leaf feet below the impressive circular tapered fluted legs decorated with lovely interlocking carved designs and acanthus leaf top caps. Each leg is connected by an exceptional and most decorative pierced stretcher with a superb geometric design, beaded borders and a central foliate finial. Above each leg are charming block rosettes flanking a richly carved interlocking Greek key band with wonderfully executed floral reserves. Above is the beautiful original Brèche de Serravezza marble top with a fine mottled border. All original gilt throughout.
