An extremely elegant Italian 19th century Louis XVI st. giltwood and walnut console. The freestanding console is raised by lovely circular tapered fluted legs with fine topie shaped feet and striking carved wrap around Greek key bands at the mottled top caps. Above each leg are richly carved block rosettes centering wonderfully carved swaging fabrics tied with charming ribbons which extend along the apron and along each side. The front is centered by a richly carved reeded urn adorned with fine berried laurel garlands. Above is the unique and most decorative rectangular walnut top showcasing the beautiful warm grain. All original gilt and patina.
