A most elegant French 19th century Louis XVI st. giltwood mirror. The mirror retains its original mirror plate framed within a fine Coeur de Rai border. The beautiful mottled frame displays richly carved block rosettes at each corner with superb richly carved tied interlocking foliate movements with lovely finely detailed leaves at the base and charming extremely decorative woven baskets with luxuriant flowers at each side tied with ribbons. The outstanding pierced top crown is centered by two love birds frolicking amidst a wonderful array of finely detailed blooming flowers, the eternal flame, a quiver, and exceptional swaging floral garlands. All original gilt throughout.
