A most elegant French 19th century Louis XVI st. giltwood mirror. The original mirror plate is framed within a beaded giltwood border with fine flutes along each side. Each corner displays fine block rosettes with beautiful floral finials and movements. The base displays a finely carved foliate band centered by a circular and foliate carved plaque. The wonderfully carved top crown displays an intricately detailed foliate wreath centered by the eternal flame and a quiver tied together by a charming bow. All original gilt throughout.
