A stunning and high quality French 19th century Louis XVI st. Green Alabaster urn/planter. This beautiful circular planter is raised by a socle shaped Onyx pedestal support below the wonderful body displaying a smooth texture throughout. Impressive and intricately detailed patinated Bronze rams heads are at each side and are connected by a delicate beaded Ormolu band below the tapered neck and mottled rim. Similar to the works of the Algerian Marble and Onyx Company, circa 1880.
