A most elegant French 19th century Louis XVI st. kingwood, tulipwood, ormolu, and Brocatelle d'Espagne marble side table. The three drawer table is raised by slender scrolled tapered legs with finely detailed fitted foliate ormolu sabots and richly chased pierced foliate corner mounts in a striking satin and burnished finish. At the center are three drawers each decorated with charming floral inlaid designs set on veneered backgrounds and centered by foliate ormolu keyhole escutcheons tied with ribbons. The sides and back also display stunning masterfully executed marquetry designs of a beautiful floral arrangement in a basket. Above is the original Brocatelle d'Espagne marble top framed within a mottled ormolu gallery.
