---

A stunning and high quality French 19th century Louis XVI st. Mahogany, Tulipwood, Ormolu, and Breccia Corallina marble side table. This circular side table is raised on three topie shaped Mahogany and Ormolu feet below the bottom tier with a pierced Ormolu gallery. The bottom tier displays three inlaid parquetry panels of Tulipwood and Mahogany that are separated by three Mahogany brackets with Ormolu foliate mounts. Extending upward are three circular fluted Mahogany columns with Ormolu plinths and ionic capitals surrounding a central fluted Mahogany column with fine and richly chased chandelles. A charming mottled Ormolu band accents the bottom of Mahogany apron with a beaded band above bordering the stunning Breccia Corallina marble top.
