A high quality and superb French 19th century Louis XVI st. Onyx and Ormolu centerpiece/planter. This beautiful centerpiece is raised by an Onyx square base fitted within an Ormolu frame with protruding corners decorated with scrolling acanthus leaves. The framed base is supported on four pawed Ormolu feet. Above the fitted Onyx base is a circular Ormolu socle with a laurel band around its base and a fluted designed neck. This socle supports the Onyx body above which is decorated with a reeded designed band around the neck and scrolling acanthus leaves serving as handles on either side. The rim of this wonderful piece is decorated with a beaded Ormolu band below the Coeur-de-Rai top band.
