A striking French 19th century Louis XVI st. Onyx and ormolu pedestal column. The pedestal is raised by a square base with berried laurel ormolu feet and an impressive mottled foliate ormolu support with a richly chased berried laurel band and central scrolled reserve with a fine seashell. The square tapered central support showcases the beautiful Onyx veins and displays remarkable pierced intertwining berried laurel branches with central richly chased acanthus leaves a charming seashell and lovely rosette. Above a mottled foliate ormolu band and a beautiful pierced richly chased tied branch ormolu reserve is the rectangular display shelf with a fine mottled border and beaded band.
