A magnificent French 19th century Louis XVI st. ormolu and Baccarat crystal twenty four light chandelier. The chandelier is centered by a most decorative cut crystal ball below a fine ormolu topie shaped ormolu finial. The arms branch out from the most decorative pierced central fut in clusters of four. Each of the arms display elegant scrolled movements, fine candle cups and are adorned in a stunning array of kite and prism shaped cut Baccarat crystal pendants. The uniquely shaped central fut is centered by swaging cut crystal garlands which lead up to the exceptional top crown with ormolu sprays and additional cut crystal pendants.
