A stunning French 19th century Louis XVI st. Ormolu and Baccarat Marie Antoinette chandelier. This nine arm Marie Antoinette style chandelier is centered by a spectacularly cut Baccarat Crystal ball surrounded by a ring of tear drop shaped Crystals with three rosettes on the exterior. Each of the elegantly scrolled arms are supported by four Ormolu chains accompanied by four exceptional arrays of interlocking beaded garlands that surround a beautiful dagger Crystal centerpiece draped in tear drop ornaments. The bobeches of each arm are tastefully decorated with tear drop Crystals as well as additional interlocking beaded Crystal garlands extending to each arm.

The four chains lead up to a stunning central Ormolu tier accented by elongated Crystals, rosettes and blossoming flowers. Above is the exceptional top crown decorated with Ormolu and Crystal sprays connected by swaging Crystal garlands.
