A lovely and most elegant French 19th century Louis XVI st. Ormolu and Crystal plafonnier chandelier. The circular five light plafonnier is centered by a charming berried finial below a mottled Ormolu tier from where the stunning Crystal garlands lead out and upward. The octagonal shaped Crystal garlands curve upwards towards stunning swaging Ormolu garlands below a pierced frame decorated with Coeur de Rai bands and pairs of sphinges flanking large Crystals. Above are impressive palmette Crystals following the shape of the ceiling mounted chandelier.
