A beautiful and extremely high quality French 19th century Louis XVI st. ormolu and etched glass pannier basket. The basket is raised by handsome hoof feet with fine acanthus leaves. At the center is a pierced fluted band with elegant swaging berried laurel garlands. At each side are lovely rings with acorn finials, which encase the striking original curved hand blown etched glass. The handle is adorned with large richly chased pieced acanthus leaves and a top foliate rosette.
