An elegant and high quality French 19th century Louis XVI st. Ormolu and Glass box. This most charming box is raised on four topie shaped feet below a wonderfully chased foliate and beaded band. Fluted column like supports adorn each of the four corners of the box and display draped garlands below inverted palmettes. The interior glass vessel is decorated with bowed ribbons and scrolling foliate designs on all four sides of the box. Above are richly chased bands of overlapping patterns which accent the top rim of the box and bottom of the lid. Large scale Ormolu palmettes accent each of the top corners and surround a wonderfully etched glass design of a mottled frame centered by an arrow, box and quiver.
