An exquisite and most elegant French 19th century Louis XVI st. Ormolu and Glass centerpiece basket. This lovely "pannier" centerpiece displays a richly chased Ormolu base below the pierced lattice designed body and is accented by rosettes throughout. This impressive basket is decorated by swaging floral garlands held by tassels that attach to the upper laurel designed rim. Fitted inside the basket is the curved Glass insert and is secured in place by the two parallel arched handles. The handle is decorated with bowed flowing ribbons on each side, two crossing laurel vines, and a rosette central reserve atop.
