A charming and high quality French 19th century Louis XVI st. ormolu and onyx centerpiece. The centerpiece is raised by an octagonal onyx base with a berried laurel ormolu band. At the center is a charming and richly chased ormolu winged cherub, sitting on an onyx socle pedestal. The cherub is draped in a fabric and is holding up the impressive onyx circular bowl above with a mottled border and smooth inside finish showcasing the fine veins. All original gilt.
