A lovely and most elegant French 19th century Louis XVI st. Ormolu and Tole Bouillotte lamp. The wonderful lamp is raised by a beautiful pierced circular bowl with lovely foliate designs and a rope designed band. At the center is a fluted support leading to three curved arms with fine circular mottled bobeches and candle cups. Above is the original patinated Tole shade which is adjustable in height and secured by a beautiful Ormolu screw with an arrow's fletching. At the top of the fut is a circular Ormolu berried laurel wreath.
