A stunning and most impressive French 19th century Louis XVI st. Ormolu and white Carrara marble coffee table. This beautiful rectangular coffee table is raised on four square tapered Caryatid like legs decorated with cherubs dressed in flowing garments around their waist while supported on block feet displaying mottled plinths and circular foliate capitals. The four legs are connected by a squared 'X' stretcher. Atop the head of each cherub is a spiral fluted designed socle with a beaded band around the upper edge which supports the Ormolu frame above. The smooth finished Ormolu frame presents the truly gorgeous mottled edge white Carrara marble rectangular top above.
