A stunning French 19th century Louis XVI st. ormolu and white Carrara marble side table. The table is raised by three handsome and richly chased hoof feet, below striking and most elegant scrolled supports, adorned with large acanthus leaves. Each support is connected by a lovely stretcher with a beautiful central floral reserve, while above is an elegant wrap around band.

Above is a most decorative triangular element with concave sides, wonderfully executed swaging drape and berried laurel rings. The original white Carrara circular marble top is fitted within a fine fluted ormolu gallery.
