A beautiful and high quality French 19th century Louis XVI st. ormolu chandelier. The six arm chandelier is centered by a lovely bottom foliate finial below the elegantly tapered fluted body. The three pairs of arms branch out from richly chased block rosettes and are each adorned with striking acanthus leaves and finely detailed berried laurel wreaths leading to reeded bobeches and fluted candle cups. At the center is the curved fluted body below the superb foliate central fut, original chain, and canopy.
