An exceptional French 19th century Louis XVI st. ormolu chandelier. The eight arm chandelier is centered by a beautiful richly chased bottom floral finial below the elegantly curved support with fine foliate details. The arms branch out from striking finely detailed satyr masks and are adorned with striking foliate designs, lovely seashells, and reeded most elegant candle cups. The baluster shaped central fut also displays a fine reeded design leading up to richly chased foliate movements and unique wrap around foliate bands below the foliate hoop.
