A beautiful and very high quality French 19th century Louis XVI st. ormolu chandelier. The eight arm chandelier is centered by a finely detailed bottom acorn finial amidst beautiful acanthus leaf designs. At the center is the elegant lightly curved fluted central reserve from where the four pairs of arms branch out and which support an exquisite urn with the striking internal flame. Each arm displays a fine scrolled design and is adorned with a large richly chased acanthus leaf leading to circular bobeches and interlocking wrap around bands at the candle cups. Four impressive chains lead upwards to the top crown with a fine inverted acorn finial and elegant curved foliate designs below the circular support.
