---

An adorable and most charming French 19th century Louis XVI st. patinated Bronze and Ancient Green marble statuette. This elegant statuette is supported on a mottled Ancient Green marble base and raised on a block of patinated Bronze. This wonderful statue showcases a young girl asleep on a cushioned chair while dressed in a flowing dress with her legs dangling off the edge. She is leaning against a large scale pillow while her curly hair cascades down the sides of her face.
