A charming and high quality French 19th century Louis XVI st. patinated Bronze, Ormolu, and Gris St. Anne marble statue. The statue is supported by four Ormolu ball feet beneath a circular Gris St. Anne marble pedestal with fine and exquisite decorations. The circular marble pedestal has mottled edges with an Ormolu reeded band along with two sets of wrap around Ormolu beaded bands above and below the central recessed panel. The central recessed panel is tastefully decorated with crossing berried laurel vines with a torch and arrow pendant on the front and back. Above the pedestal are two patinated bronze winged cherubs fighting over a blossomed Ormolu rose with an Ormolu archers quiver at their feet. All original patina throughout.
