A charming and high quality French 19th century Louis XVI st. patinated bronze, ormolu and white Carrara marble statue. The statue is raised by a beautiful square white Carrara marble base with rounded corners, elegant topie shaped feet and pierced entrelacs et les rosaces fitted ormolu plaques.

Above a fine mottled ormolu band are two striking and richly detailed patinated bronze cherubs. One cherub is seemingly sitting on the ground leaning up to try and grasp the other's richly chased cornucopia that he is holding above his head.
