An impressive and high quality French 19th century Louis XVI st. patinated bronze statue, signed A. Carrier Belleuse. The statue is raised by a circular base with a ground like design where the signature is displayed. Above is the beautiful maiden draped in wonderfully executed flowing fabric with her hair tied in an updo with flowers. At her feet is her charming cat affectionately rubbing itself on her legs while walking under the fabric. Lovely subject matter and all original patina throughout.
