An exceptional French 19th century Louis XVI st. Rouge Griotte, Campan Rubané, Brèche de Sicile marble, Granite and ormolu pedestal column. The column is raised by a square Brèche de Sicile marble base with a beautiful richly chased mottled foliate ormolu wrap around band. Above the square Granite support is a most elegant mottled ormolu plinth encasing the lightly tapered circular support with a striking scrolled ormolu ionic capital. Above is the superb Rouge Griotte marble octagonal shaped top.
