A charming French 19th century Louis XVI st.three drawer and three door patinated buffet. The buffet is raised by fluted topie shaped feet below a carved design. At the center is a single door with a decorative carved recessed panel with block rosettes. To each side are curved doors decorated in the same fashion. The three drawers display a fluted pattern and are separated by fine block cabochons. Above is the original and wonderfully executed faux painted marble top. All original patina throughout.
