A stunning French 19th century Neo-Classical st. alabaster and ormolu chandelier. The four arm eight light chandelier is centered by a striking richly chased ormolu bottom acorn finial and lovely foliate back plate set on the exceptional alabaster bowl. The bowl houses four light bulbs offering a warm glow through the alabaster. At the border are four ormolu arms with fine fluted designs, beautiful intricately detailed pierced palettes, and superb floral candle cups retaining their original frosted glass eternal flame covers. Four elegant chains lead upwards to the remarkable crown shaped top crown with fine foliate designs and additional pierced palmettes.
