---

A handsome French 19th century Neo-Classical st. Baccarat crystal and ormolu centerpiece. The centerpiece is raised by two impressive paws feet and two extremely decorative and richly chased pierced supports with scrolled dragon heads. Leading up each side are striking and intricately detailed winged dragons with foliate movements and in a fabulous satin and burnished finish. At the center is the fitted and exceptionally cut Baccarat crystal oval bowl with diamond and seashell patterns. All original gilt throughout.
