A beautiful French 19th century Neo-Classical st. Belle Époque period Baccarat crystal and ormolu centerpiece bowl. The centerpiece is raised by handsome ormolu paw feet with richly chased acanthus leaves and berried laurel branches each connected by a mottled wrap around band with a most decorative lattice design with etched accents. The striking Baccarat crystal bowl displays a fine lightly curved shape and exceptional cut diamond shaped designs throughout, with a lovely ormolu top band with charming finely detailed blooming flowers and beaded designs.
