An extremely elegant French 19th century Neo-Classical st. flamed mahogany, ormolu, patinated bronze, ebony and Brèche Basque marble buffet. The buffet is raised by elegant circular tapered legs below the straight frieze with a fine mottled border. At the center is one door which showcases the stunning flamed mahogany grain and is centered by a beautiful finely detailed plaque of a gladiator in a chariot amidst scrolled rinceaux designs and richly chased pierced palmettes. The door opens to reveal all original hardware and one adjustable shelf. The outer panels also showcase the beautiful wood grain and are framed within an intricately detailed patinated bronze foliate laurel band and fine ormolu fillets. To each side are most decorative ebony architectural columns with fine ormolu plinths and top caps. Above is the original Brèche Basque marble top. Available with a complimentary buffet, item #6634, sold separately.
