A striking French 19th century Neo-Classical st. Mahogany and ormolu mirror. The mirror retains its original mirror plate with beautiful finely detailed mirrored berried laurel branches with a lovely rosette extending along the base and sides. Above the arch is a striking and very unique ormolu reserve of a winged cherub with two lions and beautiful winged maidens at each side, one holding a wreath with the other playing the trumpet. The top crown displays a remarkable ormolu staff with an arrow and intricately detailed berried laurel branches tied with a charming ribbon at the center.
