An exceptional and very high quality French 19th century Neo-Classical st. Mahogany, ormolu and Brèche d'Alep marble side table. The circular table is raised by a triangular base with concave sides, cut corners, bun feet and a striking pierced richly chased wrap around ormolu band with charming scrolled heart shapes and lovely palmettes. Above the wrap around mottled border are additional beautiful palmette designs centering the fine socle shaped ormolu reserve in a superb satin and burnished finish and leading to the elegant baluster shaped fluted central support decorated with lovely foliate chandelles. Above is the original Brèche d'Alep marble top fitted within a beautiful pierced wrap around mottled ormolu gallery.
