An exceptional French 19th century Neo-Classical st. maple and ormolu chandelier. The chandelier is centered by a fine bottom inverted finial of the eternal flame amidst carved maple acanthus leaves and an elegant wrap around ormolu band. At the beautifully shaped body are richly chased pierced ormolu mounts of charming beautiful maidens dancing. At the center are three striking open winged swans with finely detailed acanthus leaf designs, each holding a hoop in their beaks supporting the electrified candlesticks. Three fluted supports with a central maple reserve lead up to the impressive top crown with beautiful richly chased pierced palmettes and scrolled foliate designs.
