A most elegant French 19th century Neo-Classical st. ormolu and Baccarat crystal eight arm chandelier. The chandelier is centered by a striking acorn finial amidst fine overlapping foliate designs. Beautiful prism shaped cut crystal pendants spread over three tiers and lead to a central rim. The mottled rim displays a fine wrap around foliate band with a lovely coeur de rai pattern. Each of the eight arms display an elegant scrolled movement with circular candle cups adorned with additional prism cut crystal pendants and foliate bobeches. Fine crystal garlands lead up to the striking top crown with richly chased pierced foliate palmettes.
