A beautiful and high quality French 19th century Neo-Classical st. ormolu and Baccarat crystal urn. The urn is raised by a square base with elegant bun feet with wonderful etched and beaded spiral designs, and a mottled wrap around palmette band. Above the socle shaped pedestal support is the elegantly shaped body with most decorative spiraled etched lattice designs with striking richly chased winged caryatids at each side. Above the curved neck is a mottled ormolu top bad with delicate twisted ribbon and Coeur de Rai patterns.
