An impressive and high quality French 19th century Neo-Classical st. Ormolu and Portoro Marble side table, circa 1890. The table is raised by three slender and tapering legs supported on claw feet. Each leg is connected by a circular Ormolu ring stretcher with chains extending to each leg. The top of each leg is beautifully decorated with a pierced open winged eagle that supports the circular top above. The Portoro Marble top is surrounded by an elegant wrap around Ormolu band with stunning and richly chased rosettes.
