A most elegant French 19th century Neo-Classical st. ormolu and white Carrara marble gueridon side table. The table is raised by three lightly curved fluted supports with handsome richly carved paw feet and a most decorative stretcher with concave sides and a striking finely detailed central foliate and acorn finial. Above each support are graceful scrolled movements with a lovely hanging hoop. At the center and above are the original fitted white Carrara marble surfaces each framed within a mottled wrap around gallery.
