A striking French 19th century Neo-Classical st. patinated bronze and ormolu chandelier. The nine arm chandelier is centered by a beautiful richly chased bottom acorn finial amidst fine palmettes. The elegantly shaped patinated bronze body displays nine ormolu arms branching out from a reeded wrap around band and displaying exceptional bearded men designs and foliate candle cups centering the most decorative curved reserve with fine palmettes, an additional acorn finial, and fine tassel like reserves. Three fluted tied supports with a central foliate element lead up to the curved fluted foliate top crown centered by an acorn finial.
