A handsome French 19th century Neo-Classical st. patinated bronze and ormolu six arm chandelier. The chandelier is centered by a striking inverted foliate acorn bottom finial amidst decorative acanthus leaves. The elegant patinated bronze body displays a most decorative curved shape and a striking central urn with ormolu accents. Each of the pierced scrolled foliate arms displays lovely floral candle cups. Separating each arm are impressive richly chased foliate mounts from where six patinated bronze and ormolu fluted supports connect to the superb pierced top crown with striking ormolu palmettes.
