A most handsome French 19th century Neo-Classical st. patinated bronze and Sienna marble centerpiece. The centerpiece is raised by an elegant square Sienna marble base with a stepped design and a fine foliate wrap around band. The beautiful fluted urn above displays a wrap around twisted ribbon design at the base and two richly chased winged maidens which lead up each side seemingly holding the bowl above. The bowl is also finished on the inside and displays a most decorative Les Oves designed wrap around band at the rim. All original rich and warm patina throughout.
