An impressive and most handsome French 19th century Neo-Classical st. patinated bronze, ormolu and Rouge Griotte marble urn. The urn is raised by elegant scrolled patinated bronze feet with fine ormolu accents and acanthus leaves. The square base displays a mottled border below the socle shaped pedestal. The beautifully shaped Rouge Griotte marble body displays a wrap around patinated bronze band with finely chased palmette designs and an ormolu band. Striking scrolled handles lead up each side with handsome richly detailed lions heads and foliate garlands. A fine patinated bronze and ormolu mottled foliate band extends along the rim. The urn is also finished on the inside. All original gilt throughout.
