A stunning and most impressive French 19th century Neo-Classical st. patinated bronze, silvered bronze, ormolu, Rosso Verona and white Carrara marble bust of Marianne in full armor. The bust is raised by a thick Rosso Verona marble base with an elegant scalloped shape adorned with richly chased masks and swaging berried laurel garlands and centered by a striking fitted ormolu plaque of men jousting on a medieval background. Above is the beautiful Marianne richly sculpted in white Carrara marble with exceptional attention to detail wearing in her remarkable patinated bronze armor and superb silvered bronze helmet.
