A striking French 19th century Neo-Classical st. Vert Patricia marble and ormolu clock, signed Jollet & Cie. The clock is raised by a square stepped base with a finely chased pierced fitted ormolu plaque at the front of two sphinxes amidst palmettes and superb fitted foliate mounts at each side. Above two wrap around ormolu bands with a Coeur de Rai design is the stunning central pierced ormolu plaque of a beautiful and wonderfully executed winged maiden holding two eternal flames joined by a ribbon, amidst rinceau shaped movements and foliate designs. Along each side are charming foliate movements leading to the circular enameled dial with Roman numerals and the signature. The bezel displays richly chased and intricately detailed ormolu bands with foliate designs and is centered by fine ormolu floral rosettes. With all original gilt throughout.
