A spectacular French mid 19th century Régence st. giltwood and Rose Vif des Pyrenées marble center table. The rectangular table is raised by handsome paw feet with acanthus leaves below elegant cabriole shaped tapered legs adorned with richly carved foliate designs at each corner. Each leg is connected by an 'X' shaped stretcher with fine scrolled movements leading to the centered mottled reserve with a lovely acorn finial. The impressive and most decorative frieze is centered by a striking seashell reserve amidst beautiful scrolled movements and richly carved swaging floral garlands. A most decorative lattice design extends along the frieze while the sides and back are decorated in the same manner. Above is the original thick Rose Vif des Pyrenées marble top with a striking superb double mottled border and rounded corners. All original gilt throughout.
