An elegant French 19th century Transitional st. Tulipwood, Kingwood, ormolu, and Black Belgian marble buffet. The three door three drawer buffet is raised by cabriole legs with fine pierced foliate ormolu sabots below the frieze which is centered by a lovely ormolu mount of an urn with draped berried laurel garlands flanked by acanthus leaves. The three doors are each decorated with beautiful quarter veneered panels framed within a fine fillet and displaying a charming tied ribbon and berried laurel ormolu keyhole escutcheons. The three drawers are decorated in the same manner while the sides also display additional striking and most decorative quarter veneered panels. Above is the original black Belgium marble top with a fine mottled border.
