A lovely and most decorative French late 19th century Louis XV st. Ormolu and Baccarat Crystal vase. This unique vase is raised on a lily pad shaped base supported by three 'C' scrolled feet containing reeded patterns. Above the base is an acanthus leaf decorated socle which presents the Ormolu frame holding the Crystal vase. The pierced Ormolu frame wraps around the entire base of the egg-shaped Crystal vase with intricate scrolling designs including two handles on either side. The Baccarat Crystal vase has wave like movements that showcase the foliate gilt accents. The top rim of the Crystal vase is designed with rounded pointed edges which taper inward like a tulip.
