A handsome French late 19th century Louis XV st. wrought iron, gilt metal and marble console. The console is raised by scrolled legs above the gilt ball feet and joined by a scrolled stretcher displaying a central gilt reserve. Continuing up each leg are reeded elements leading to gilt acanthus leaves which are flanked by two scrolls. The top frieze has a similar gilt central reserve flanked by C scrolls and gilt acanthus leaves. Above is the original Coquillier de Bilbao marble top.
