An exceptional and most elegant French late 19th century Neo-Classical st. patinated bronze, ormolu and white Carrara marble coffee table. The two tier rectangular table is raised by elegant mottled bun shaped ormolu feet below striking reeded quiver like legs tied with exceptional and most decorative mottled fluted ormolu bands each connected by its original white Carrara marble bottom tier. Ormolu reserves flank the straight pierced frieze decorated with impressive patinated bronze arrows with ormolu fletchings and arrowheads facing each other centered by a circular reserve. Above is the original white Carrara marble top with rounded corners and a fine mottled border.
